

## EWM in Leiden

**Join for lunch and an open discussion on gender-balance in mathematics!**

**Who:** All mathematicians (irrespective of gender!)  
**What:** Presentation of EWM-NL and open discussion  
**When:** November 29, 12.30-14.00  
**Where:** Room 312

This meeting has been initiated by EWM-NL (Dutch branch of European Women in Mathematics), who wishes to learn from the experiences of professional mathematicians in The Netherlands and see how they can make a difference to the benefit of all.

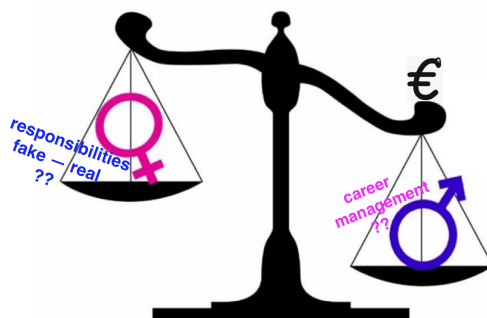

### Program

12:30-12:45 Walk in with lunch  
12:45-12:55 Introduce EWM-NL: mission, organization and activities  
12:55-13:30 Interactive discussion session on gender-balance  
13:30-13:50 Open question/suggestion round: what would you like to see changed?  
13:50-14:00 Wrap up: identification of easy steps versus major difficulties?
